

# PACK, SEAL, REPEAT

## Precision sealing made simple!

Introducing the SureSeal Plus Lidding Machine designed for precision, speed, and simplicity.

Made in Britain and built from durable stainless steel it's engineered with everyday use in mind, this machine delivers reliable, airtight seals giving your products a clean, professional finish.

This stainless steel, high-quality machine is built to deliver reliable performance for various food packaging needs. Whether you're packing ready meals, fresh produce, or takeaway dishes, our new tray lidding machine is built to perform.

## PRODUCT BENEFITS

- ✓ **Versatile Sealing Options:** Perfect for sealing a wide range of food trays with peelable or weld seal film cardboard sandwich wedges .
- ✓ **Durable Construction:** Built for longevity and reliability in demanding food packaging environments.
- ✓ **Easy-to-Clean Stainless Steel:** Designed with smooth, easy-to-maintain surfaces for quick and hygienic cleaning.
- ✓ **Easy-to-Use Digital Control:** This allows for optimal temperature settings and precise operation.
- ✓ **Precision Sealing:** Teflon-coated, non-stick sealing plate and twin roll film supports with guide rings ensure accurate and consistent seals.
- ✓ **Quick and Easy Operation:** Twin gas spring head lift for convenient access and smooth machine operation.
- ✓ **Modified Sealing Handle:** Ensuring accurate and firm seals to trays for enhanced reliability
- ✓ **Tool-Free Die Plate Changes:** Quick-change die plates with no tools required for efficient setups.

## TECHNICAL SPECIFICATIONS

**Maximum Tray Size:** 190 x 250mm

**Maximum Film Width:** 190mm

**Machine Dimensions:** 258 x 690 x 550mm

**Electrics:** 240v/3amp

**Weight:** 10kg

## CUSTOMERS FEEDBACK

"We found it a very convenient and ingenious design which allows for greater flexibility while sealing."
